## Financial Disclaimer Acknowledgement

### Financial Information

I, Anna Smith, understand that Syracuse University (the "University") is advancing value to me in the form of educational services, and that my right to register is expressly conditioned upon my agreement to pay University tuition and fees and any additional costs in accordance with the University's financial policies as published in the Bulletin of Tuition, Fees and Related Policies. Please [click here](#) to view the University's Tuition, Fees and Related Policies publication. If I fail to maintain a current account, I understand I can be assessed late payment charges in accordance with University policy. In addition, failure to pay the costs of tuition and fees will result in a financial hold on my account record which will prevent release of my academic transcript, prohibit registration activity, and withhold the release of my diploma. I further understand that the University may refer my past due account for collection and may authorize legal action against me for the collection of this debt. I agree to be liable for all reasonable collection costs, including attorney fees, court costs, statutory interest, and other charges necessary for the collection of my past due account. I understand that if I am being sponsored by an employer or country that I am still ultimately liable for all fees incurred on my behalf in the event that the sponsor does not for any reason remit payment on my behalf.

I understand the University will need to use various methods to contact me; I expressly consent to the University, its affiliates, agents, and service providers using written, electronic, or verbal means to contact me as the law allows. This consent includes, but is not limited to contact by manual calling methods, prerecorded or artificial voice messages, emails and/or automated telephone dialing systems. I also expressly consent to the University, its affiliates, agents, and service providers contacting me by telephone at any telephone number associated with my account, currently or in the future, including wireless telephone numbers, regardless of whether I incur charges as a result. I agree that the University, its affiliates, agents, and service providers may record telephone calls regarding my account in assurance of quality and/or other reasons.

The information contained in this document supersedes all other agreements I may have signed with the University. Questions should be directed to the Bursar's Office at [bursar@syr.edu](mailto:bursar@syr.edu) or 315 443 2444.

In consideration for Syracuse University (the "University") permitting the Student to register and attend classes at the University without the University receiving full payment of Student's tuition, room, board and other charges, the Student and/or the Guarantor (referred to individually and collectively as "Obligor"), promises to pay to the order of the University the sum stated as 'amount due' by the 'due date' as stated on the University invoice or invoices (the "Note"). If full payment is not made by the 'due date', the Obligor shall pay a late fee. When the unpaid balance is \$499.99 or less, the late fee is \$85; when \$500 or more, the late fee is \$120.

In the event that the Obligor does not pay any invoice within 5 days after the invoice is due, the University may declare the entire outstanding balance of this Note immediately due and payable in full. Until all amounts due and owing on this Note are paid in full, the University may withhold the student's grades, transcripts, and /or diploma, and prohibit the Student from registering for any subsequent periods. If full payment is not made within 5 days from the initial invoice 'due date', the University may also cancel the Student's current and future registration, remove or bar the student from attending classes and retain all monies received.

In the event of any default on this Note, the University may set-off against sums outstanding on the Note all sums, deposits, credits, or other property belonging to the undersigned that may be in, or thereafter come into, its possession or control.

In the event that legal proceedings are commenced, the Obligor agrees that legal action may be brought on this Note in the State of New York with venue in a court of appropriate jurisdiction in Onondaga County and that the Obligor shall be personally subject to the jurisdiction of that court.

In the event of default, the Obligor shall pay on demand all costs of collection incurred by the University in connection with enforcement and collection of this Note, including reasonable attorneys' fees and disbursements.

The Obligor waives demand for payment, presentment, and all notices in connection with this Note, including, but not limited to, notice of dishonor and protest.

The Obligor intends any facsimile of his/her signature on this Note as printed by University's receiving facsimile machine to be equal to and enforceable as his/her original signature and that such a facsimile copy of this Note be deemed a counterpart to the original Note and, therefore, enforceable in court or other tribunal.

I acknowledge that I have read and understood Syracuse University's Promissory Note

You may now close the CASHNet tab. Do NOT close the browser, you won't get your confirmation!

The screenshot shows a browser window with two tabs: "Syr Uc Pay (Student)" and "CASHNet". The "CASHNet" tab is selected and has an orange circle around its close button (X). An orange arrow points from the text above to this close button. To the right of the browser window, there is a red "X" over a portion of the browser's toolbar and the text "NO!!", indicating that the browser itself should not be closed.
