

SYRACUSE UNIVERSITY

Application for Admission

For Part-Time Undergraduate SU Students

APPLICATION INSTRUCTIONS

If you are seeking admission to a Syracuse University undergraduate program as a part-time student, use this application packet. To apply for admission, you must have an admission interview with an academic advisor at University College, the continuing education division of Syracuse University. University College is the primary college for part-time undergraduate students.

You may apply for single, dual, or combined enrollment.

- **Single enrollment** means having one major in one school and receiving one degree.
- **Dual enrollment** means having two different majors in two different schools but receiving a single degree granted by both schools.
- **Combined enrollment** also means having majors in two different schools but leads to two separate degrees conferred by both schools. Most combined enrollment programs require additional coursework.

Admission is reviewed on a continuing basis, so there is no application deadline for part-time undergraduates. It is recommended that your application should be completed at least six weeks prior to the beginning of the semester.

For the purpose of this application, if you have attended any other institution of higher education on any basis for any period of time, you are considered a transfer student.

Also, if you've ever attended Syracuse University, including credit courses taken on a nonmatriculated basis through University College, please indicate this under "Education" on your application. (Matriculation means admission to a degree program.)

In certain instances, the admission committee may request letters of recommendation from professors or employers after an initial review of your application.

Here is a checklist of requirements to complete:

- Schedule an admission interview with a University College Academic Advisor. Call 315-443-3261 to schedule your interview.
- Complete the enclosed application form.
- Submit a typed, double-spaced personal essay. Directions and possible topics on page 4.
- Audition/portfolio review (if required).
- Return the application form, your essay, and your \$75 nonrefundable application fee to Syracuse University/University College, 700 University Avenue, Academic Advising, Room 126, Syracuse, New York 13244-2530. Make check or money order payable to *Syracuse University*. We will acknowledge receipt of your application. You may also pay by all major credit cards over the telephone by calling 315-443-4135.
- If you have **attended or graduated from high school in the past five years**—even if you also attended college during that time—have an official copy of your GED or TASC transcript or high school transcript and Scholastic Aptitude Test scores sent to Syracuse University/University College, Student Administrative Services, 700 University Avenue, Syracuse, NY 13244-2530.
- If you have **attended college**, arrange for an official copy of your transcripts of all previous undergraduate work to be sent directly to our office. Official transcripts must have a raised seal. Do not send photocopies. Transcripts should indicate years of attendance, subjects studied each year, and grades. A key to the grading system should also be included. All documents in languages other than English must be accompanied by a certified literal English translation.

When all the necessary transcripts and other relevant materials have arrived, and you have completed your admission interview, we will review your application and notify you immediately when the decision is made.

Application for PART-TIME UNDERGRADUATE ADMISSION

A \$75 nonrefundable fee payable to "Syracuse University" must accompany your application.
