

HOW TO ACCESS THE UC PAYMENT OPTION SELECTION PAGE

As you register for classes as a UC student, the final registration step requires you to **COMPLETE MY REGISTRATION**. At that time, you will go to the Payment Option Selection page.

The screenshot shows the MySlice registration interface. At the top, there are navigation tabs: Search, Plan, Enroll, and My Academics. Below these are links for 'my class schedule', 'add', 'drop', 'swap', 'edit', and 'term information'. The main content area is titled 'Add Classes' and shows a progress indicator with steps 1, 2, and 3. Step 3, 'View results', is active. A message states: 'View the following status report for enrollment confirmations and errors:'. Below this, a table shows the enrollment status for class ANT 400, which is 'Success: enrolled'. To the right, a 'Tuition and Estimated Fees' table lists: ANT400 tuition (3 credits) at \$2349.00, Late registration fee at \$50.00, and an Estimated Total of \$2399.00. A warning message states: 'Failure to click "Complete My Registration" will result in cancellation of your class schedule.' Below this is a yellow button labeled 'Complete My Registration'. At the bottom, there are links for 'MY CLASS SCHEDULE' and 'ADD ANOTHER CLASS'.

Class	Message	Status
ANT 400	Success: This class has been added to your schedule.	✓

Item	Cost
ANT400 tuition (3 credits)	\$2349.00
Late registration fee	\$50.00
Estimated Total	\$2399.00

After registration, you may also enter the Payment Page by signing onto MySlice. Then navigate to Student Services>Finances>**UC PAYMENT OPTION SELECTION**

The screenshot shows the MySlice signon page. At the top, it says 'SYRACUSE UNIVERSITY MYSLICE Welcome to:'. Below this is a signon form with fields for 'NetID' and 'Password', and a 'Sign In' button. A red error message states: 'Your User ID and/or Password are invalid.' Below the signon form, there is a security warning: 'PROTECT YOURSELF: Don't share your password with anybody, including your peers, friends and family members. Treat your password like the PIN for your ATM card - as your secret!' and links for 'Forgot your Password?' and 'Activate your NetID'. To the right, there is a 'Student Services' menu with categories: Holds, Share My Access, Academics, Advising, and Finances. The 'Finances' section is highlighted with an orange oval and contains the link 'Uc Payment Option Selection'.

In consideration for Syracuse University (the "University") permitting the Student to register and attend classes at the University without the University receiving full payment of Student's tuition, room, board and other charges, the Student and/or the Guarantor (referred to individually and collectively as "Obligor"), promises to pay to the order of the University the sum stated as 'amount due' by the 'due date' as stated on the University invoice or invoices (the "Note"). If full payment is not made by the 'due date', the Obligor shall pay a late fee. When the unpaid balance is \$499.99 or less, the late fee is \$85; when \$500 or more, the late fee is \$120.

In the event that the Obligor does not pay any invoice within 5 days after the invoice is due, the University may declare the entire outstanding balance of this Note immediately due and payable in full. Until all amounts due and owing on this Note are paid in full, the University may withhold the student's grades, transcripts, and /or diploma, and prohibit the Student from registering for any subsequent periods. If full payment is not made within 5 days from the initial invoice 'due date', the University may also cancel the Student's current and future registration, remove or bar the student from attending classes and retain all monies received.

In the event of any default on this Note, the University may set-off against sums outstanding on the Note all sums, deposits, credits, or other property belonging to the undersigned that may be in, or thereafter come into, its possession or control.

In the event that legal proceedings are commenced, the Obligor agrees that legal action may be brought on this Note in the State of New York with venue in a court of appropriate jurisdiction in Onondaga County and that the Obligor shall be personally subject to the jurisdiction of that court.

In the event of default, the Obligor shall pay on demand all costs of collection incurred by the University in connection with enforcement and collection of this Note, including reasonable attorneys' fees and disbursements.

The Obligor waives demand for payment, presentment, and all notices in connection with this Note, including, but not limited to, notice of dishonor and protest.

The Obligor intends any facsimile of his/her signature on this Note as printed by University's receiving facsimile machine to be equal to and enforceable as his/her original signature and that such a facsimile copy of this Note be deemed a counterpart to the original Note and, therefore, enforceable in court or other tribunal.

I acknowledge that I have read and understood Syracuse University's Promissory Note
