*Out-of-State Students Interested in an Online Program from University College of Syracuse University please note:

State and federal laws require colleges and universities to comply with states' regulations governing distance education and other educational activities. Syracuse University has registered, has obtained exemption from registration, or is in the process of registering or obtaining exemption as required under local laws.

Students seeking a certificate and/or degree (Bachelor of Professional Studies in Creative Leadership or Knowledge Management) may not enroll if they are residents of the following states:

- Delaware
- District of Columbia
- Oregon
- Rhode Island
- Wisconsin

This does not apply to visiting and non-degree/non-certificate-seeking students.

Check our web site for the most current information: parttime.syr.edu/academics/degrees-certificates/state-authorization-for-uc-online-program/.
